6. **Old Business**
 - a. Randall Penn needs information about your cars for the club car roster. Pictures can be sent in or Randall can take them at meetings or other Club events. Randall's contact information is: Phone (816) 523-8053; email RW_Penn@yahoo.com.

- b. Potential audio file for each member's car info with a QR (Quick Response) are suggested for members. The QR code could be place in a car and those attending a car show could listen to the information about the car on their cell phone. We would like everyone to consider creating one for their car for the 2020GN. Members will need a code reader app to open the file. These will be added to the roster that Randall is creating. Each member is asked to develop a brief description of their automobile and the audio will be created from that.

6. **New Business**

- a. **UMKC Student Help at Grand National** A brief discussion about the possibility of asking UMKC Baja Rally Club to partake in our Grand National. More info on that in later meetings.

7. **Other Business** No additional business discussed

8. **March Meeting** – March meeting date is March 24, 2019 at Denny's.
